The structure of all the products are made of wood, plywood or MDF boards, They are made to withstand any wear or tear caused from Children monkeying on the same.

As they are made for the use of small children, it is of at most importance for us to design all our PUG range of product without any sharp corners.

All paints and colours used on this range of furniture are Lead free.

Pug range of furniture are made for the children of 3 years till the age of 8 years.

The tables are made of Italian make PU coated MDF boards mounted on a steel structure.

They are fitted together using inserts nuts which eliminates any chance of the structure falling apart.

The animal print chairs are made of rubber wood boards fitted on to solid wood legs using insert nuts. The back is made of High density fibre boards with solid paints and colour print on it.

The Bentwood chairs are made of PU coated bentwood shell mounted on a powder coated steel structure
